

under BS 6800, the standard for Responsible Sourcing and have BS EN 14001, the Environmental Standard. Ibstock are the first brick maker to achieve ISO 50001, the Energy Management Standard.

- We make the widest range of bricks in the country.
- National coverage from 19 factories means our average delivery mileage is kept to a minimum.
- Our bricks are a prudent use of natural resources, incorporating a high recycled content.
