Telephone number... [REDACTED]

Planning application number... 2015/0224/P

Planning application address... 118 PARKHILL ROAD

~~I support the application (please state reasons below)~~

I object to the application (please state reasons below)

Your comments

- ① The wooden fence erected above the brick wall blocks the little light I had. It contravenes the Ancient Light. The previous neighbours who erected the fence on top of the brick wall denied Camden access, and became abusive towards me, so I was unable to pursue this - Alan Gillespie was trying to help me. I would like the fence taken down, as it was erected without planning permission. I would like a bit of light.
- ② noise pollution
- ③ This is a conservation area and it sets further precedent for more building
- ④ I believe it will further curtail my right to quiet enjoyment of this flat.
