Your comments on the planning application

Dear Sirs,
We have reviewed the proposed planning application at Apartment 36, 12 Pond Street and wish to object to the proposed scheme due to the potential affect this development may have on staff and patients within our hospital.
Within the planning application we would expect to see daylight/sunlight assessments of how this development may affect the hospital and also an assessment of how the development may affect the privacy of our patients and staff. These have not been provided.
