Dear Sirs,

Site Address: 1-48 Greenwood Estate, London, NW5 2BB

Application Ref: 2014/6789/P

Proposal: Installation of external wall insulation system with a through colour render and brick slips finish

Please find enclosed a selection of samples for the render colour and brick slips for the above scheme for your consideration.

There is difficulty finding an exact match to the existing brick, not least because the existing bricks would have darkened over time, and therefore they do not represent the bricks as they would originally built. The enclosed samples are the closest match achievable given availability.

If you require any further information please let us know.

Yours sincerely,

Simon Foulkes BSc(Hons) PgDip
