2014/7683/P	Kimberley Jones	54 parliament hill mansions lissenden gardens	09/02/2015 21:03:51	APP	This project needs to be stopped. This area cannot accommodate anymore students. It has already reached its maximum capacity. Community police are present everyday for crowd control in an over populated and condensed school area. An increase of students will cause more disturbance to neighbouring residential areas who are currently victims of their mass and anti social behaviours. Any buildings to promote more student traffic can not be accommodated in this area.
