2014/7713/P	Mrs Gillian Rann	48 Westbere Road London NW2 3RU	04/02/2015 11:44:16	COMMNT	I live at the house next door but one to 44 Westbere Road and I am opposing planning permission to convert the single dwelling to 5 flats on the following grounds: a) This is a single dwelling and there is a real need for family houses in the area. It is one of 4 identical houses, one of which remains a family house, the other two are converted to 2 and 3 flats. b) Permission was refused to convert no 52 to 5 flats some years ago. c) The extra cars would be areal problem: potentially with at least two people a dwelling would be potentially up to 10 vehicles. Regards jill Rann
