2014/7745/P	Hazel Capper	15A Gower Street London WC1E 6HW	05/02/2015 16:37:39	OBJNOT	<p>On behalf of the Trustees of the St Giles-in-the-Fields and William Shelton Charity, I would like to object to this planning application.</p> <p>The charity owns the freehold for this property as a commercial investment. The building should remain entirely commercial as this is in keeping the area and local authority planning policy.</p> <p>I would like it known that we did not receive notification of this application in November as it states in the application form. The applicant sent a letter dated 26th December, postmarked 5th January and it arrived at our office on 7th January.</p> <p>The charity did not receive any notification of the previous planning application relating to this property (2014/2113/P) submitted in April 2014.</p> <p>Please can you let me know about the committee date for this application.</p>
