Dear Ms Walsh

**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)
NATIONAL PLANNING POLICY FRAMEWORK 2012**

Kings Cross Central Wharf Road Kings Cross London N1C 4AB

Reserve matters associated with Wharf Road public realm including a section of the Regent's Canal towpath between Maiden Lane Bridge and Pavilion G1 pursuant to conditions 9, 10, 12, 16, 18-22, 26, 31, 45, 51, 56 and 64-67 of outline planning permission (2004/2307/P) dated 22/12/06 with associated section 106 Agreement for comprehensive, mixed use development.

Recommend Archaeological Watching Brief

Thank you for your consultation dated 21/01/2015..

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

I recommend that an archaeological watching brief is maintained on groundworks which may reveal remains of sidings belonging to the potato market. A written scheme of investigation should be provided which will be similar to such documents prepared elsewhere on the site.
