*Your comments on the planning application*

The Farmers Market is such a great asset to West Hampstead and I think anything to get more people to be aware of it, and visit is only for the good. It has totally changed my shopping habits for the better.

A banner isn't a permanent fixture so if people decide, at a later date that they don't think its a good idea, it can easily be taken down - personally I think it will be brilliant.

J
