The Society examines all Planning Applications relating to Hampstead, and assesses them for their impact on conservation and on the local environment.

To London Borough of Camden, Development Control Team

Planning Ref: 2015/0355/P

Address: 9 Downshire Hill, NW3

Description: Alarm and Audio Installations.

Case Officer: Simon Vivers

Date 18 February 2015

We have no comment on the security installation content of this application, but the strongest objections to the loudspeakers proposed for the rear of the property.

These would lead to noise pollution in this solely residential area, amounting to serious intrusion into the privacy and quiet enjoyment of many neighbouring houses.

Please refuse.
