Your comments on the planning application

AS Chairman of FournFrognal Limited the management compnay for 4 Frognal I am concerned that lowering the garden at no2 Frognal will create land slip at the boundary the garden of 4 Frognal and the fencing will then collapse. This is dangerous and costly. In addition the party wall considerations are not being addressed by the developer of No 2.

It is of major concern that the impact of these works on no 4 have not been considered properly and addressed.

Accordingly I object on behalf of Four Frognal Ltd to this application
