

Martin

Thank you for your letter. I certainly support the objections made by residents and will attend any committee hearings in sport.

Dear Mr Whittingham,

I wish to make you aware of a number of strong objections that I have with regard to the proposed development of the erection of a new house at St Paul's Mews (land to the rear of 128 Agar Grove London NW1 9TY) application number referenced above. I have reviewed the plans and know the site well as I have owned a property in St Paul's Mews (the "Mews") for a number of years.

I have attached a letter which covers my objections in detail. I have also sent a copy by post.

Regards

Martin Ross
