Dear Lukas

Please find attached revised lower ground floor plan (MVL-P2-100A), ground floor plan (MVL-P2-101A), roof plan (MVL-P2-102A) and north-east elevation (MVL-P2-300A). Could you please replace these with the proposed plans previously submitted?

We confirm that the existing pitched roof over the subject building, ie the Lodge, is not being altered, neither are its finishes.

We trust that this application can now be validated.

Yours sincerely
Philip Wagenfeld
