The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 The proposal seeks to replace 3 single glazed windows with double glazed units, and applies to the front elevation of the upper of the host building only (those windows servicing Flat 4). The design, colour and material of the proposed windows are identical to those existing, therefore maintaining the character of the host building and South Hampstead Conservation area.

The site's planning and appeal history has been taken into account when coming to this decision. No objections were received in response to statutory notification.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013. As such, the proposed development is in general accordance with policies CS5, CS13 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP22, DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, 56-66 and 126-141 of the National Planning Policy Framework.

- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
