No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reasons for granting permission.

The proposal would see a series of minor alterations to an already approved scheme to include centering a first floor window at the front elevation, installing 2x conservation grade rooflights on the side roofslope and slightly altering the design. The proposals are not considered to harm the character and appearance of the host building or the wider conservation area being that they are modest in appearance and nature.

There would be no harm to the amenity of adjoining occupiers, the alterations would not block light or result in any additional levels of overlooking.

There were no objections received and one letter of support was received from the

owner/occupier of No 21 Camden Mews. The sites planning history were taken into account when coming to this decision.

Considerable importance and weight has been attached and special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under and s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, 56 -66 and 126-141 of the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
