To Whom it may concern,

RE: Proposed Extension to Flat 3/269 Goldhurst Tce, London NW6 3EP

This letter is to certify that I, Vincent T. Bush of flat 5, 269 Goldhurst Terrace, London NW6 3EP, have viewed the proposed plans, prepared by Omnide of Unit 2 Durham Yard, London E2 6QF, for a single-roomed, single storey side extension to Flat 3/269 Goldhurst Terrace and approve and support the proposal.

I have also viewed a copy of H.M. Land Registry Title Number NGL 749574 for flat 3, and been assured by its owners, Michael and Anna Smith, that the proposed 22sqm extension will be completed within the current demise of flat 3, as depicted on the registered title for the property and not extend into freehold space. I have also been assured by Michael H Smith that the new room will be constructed with minimal disruption to neighbours and that the finish will be of a high quality conventional nature; including brick, steel such that it will have a positive effect on the property at 269 Goldhurst Tce generally.

Sincerely,

Vincent T.T. Bush
