No plans sent with letter of 10th February.
The garden wall at the end of my property
taken down - no notice given - workers just tumbled
up - my trellis which supports a clematis not
reinstated.
My property already dark after new build put up -
not sufficient compensation to restore wall as was.
Dirt, noise, loss of my side alley for two years.
Lorries coming down this small road caused damage.
This was two years of hell. The owners made £300-500
profit and then went elsewhere.
In my second year of remission from cancer and at 80 yrs
of age I do not want this inconvenience!
Privacy will be an issue, particularly for my
neighbours. This is one more build too many. We want
sunlight in our gardens, not more brickwork!
Awaiting your acknowledgement.
