Planning application number..... 2015/0814/P .....

Planning application address..... 7-9 Pond Street .....

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

I strongly support this application and believe a new Pilates studio would be an excellent addition to the local area. My only slight concern is to ensure that late night classes are not too noisy but I am certain this could easily be managed.  
I very much hope this is approved.
