

**Traditional Half Lanterns**

**Size:** Width - 180mm, Height - 550mm, Projection - 99mm.

**Description**

A traditional shaped half lantern wall light constructed from black polycarbonate, with three opal white polycarbonate lenses holding seven watts of cool white energy saving LED lighting technology. A great rust proof choice to replace those ageing period property outdoor wall lights with something a bit more economical to run.

Approximate LED lamp life expectancy: 30,000 hours. IP rating IP44.
