

HIGHLY POLISHED TO AGATA COLOUR

SYSTEM TYPE

HIGHLY POLISHED PANEL

The vandal resistant entry panel range is manufactured in the UK to the highest standards. Any number of buttons can be used in either video or audio panel styles with coded keypads, proximity window or name windows if required. Surface or flush mounted, they are the last word in hard wearing, durable entry panel design. As well as a standard range, custom sizes can also be manufactured to suit any application.

- Polished stainless steel construction
- IP54 rated buttons
- Makralon windows
- Steel grilles

All complete kit panels can be either surface or flush mounted

AGATA MONITOR

With its elegant design and slim styling, the Agata audio and video receivers will blend perfectly with any setting. Both the 3.5" monochrome and colour versions allow the user to select the number of rings and to choose from four different call melodies for calls from the external entry panel and from the doorbell on the landing. The receiver features 6 slots for additional buttons and/or accessories, as well as a table-top support.

- 3.5" colour monitor
- Brightness control and contrast controls
- Door lock release
- Wall-mount

COMPLETE KIT INCLUDES

- Highly polished entry panel
- Optional surface housing
- Video/audio module
- PSU/controller
- Video distributors (if required)
- Monitors
- Relay
