2015/0091/P	Ellen Gates	11 Grove Terrace London	23/02/2015 15:24:02	COMMNT	<p>I am the chair of the Grove Terrace Residents Association and am submitting comments on behalf of the Association.</p> <p>We generally support the proposed application. We would note, however, that the property is listed Grade II* (not grade II as indicated in the DAS). It is therefore important that original material be retained to the maximum extent possible. Any repointing should also be carried out sensitively, using appropriate materials, methods and colours.</p>
