2015/0461/P	Sue Grimsdell	28a Mornington Terrace	20/02/2015 13:22:30	COMMNT	Please contact me directly to discuss the details of this planning application, as my garden at 28a Mornington Terrace borders the proposed wall rebuild. My neighbour upstairs kindly forwarded by email a letter received from Michael Cassidy as I had not been contacted. The telephone number on the letter 02079745666 is not working. I have tenants living in the property
