2015/0684/P	Peter Schween	5 A Rhyl Street London NW5 3HB	23/02/2015 13:50:50	OBJEMAIL	Considering the school is Grade 2 listed,as well as being in a conservation area, I do not think it appropriate for a modern,lit neon sign to be displayed at this entrance.Also, the proposed canopy,in my view, is out of sink with the structure of this listed building and I am sure a more appropriate solution can be sourced.
