2015/0814/P	Nelson Lafraia	7 Pond Street Second Floor Flat	24/02/2015 17:06:09	COMMNT	<p>I have no objection to this proposal. In fact, I would welcome the change of use of the venue to a pilates studio. My only concern is removal of the columns in the basement, as they could be structural and could endanger the stability of the whole house. I trust Camden Council will request the appropriate engineering survey necessary to carry out this sort of work safely.</p> <p>"Basement alterations- It is proposed... The bar would be removed as would the columns next to the barrelled storage areas.".</p>
