Dear Alex,

I write on behalf of the NCTNF Steering Group to advise that we are in full support of the very detailed Objection Report issued to you by Michel Foex today. We reiterate our OBJECTION to the current scheme. Recent amendments have been very minor and do not address our concerns. We would support redevelopment of this site with an appropriately sized development of high quality design. We hope it is possible for the developer to withdraw their proposals as they currently stand. Should this scheme proceed to Committee, we would seek to make a deputation at the DCC.

Regards
Kate Gemmell
