Dear Mr Nelson,

Re: Application Ref: 2014/7803/P
2012/0916/P

I refer to my letter dated 10 February 2015

I made considerable reference to the 'overshadowing' that will be caused by the proposed wing, I have now been made aware to 'Right of Light' protection in England and Wales under common law.

I have lived in Walham Court for almost 39 years which I believe entitles me to have 'acquired' the Right of Light.

I believe that the proposed wing will infringe my Rights and I trust that you will take note of this Common Law right as it applies to Walham Court when you are making your considerations.

Yours sincerely

Bryan Crystol
