To Whom It may Concern

Retrospective Planning Permission is respectfully requested for the above designated address which is incorporated and adjacent to the Hairdressing Salon known as the Hair Body & Beauty Clinic in the overall floor plan. It shall be used solely for my own private accommodation.

The Hair Dressing Salon area is not affected in any way by the cosmetic application made to this area now known as the Annex. Previously being used as a storage area but most importantly has its own entrance independent of the Salon.

A survey was conducted by Camden on the commercial area of the premises known as 18 Lambolle Place on Wednesday the 4th of February and nothing was found untoward on any loss of area or change of usage to the Hairdressing Salon.

Please find enclosed complete House Holder Application for Planning Permission for Works or Extensions to a Dwelling Town and Country Act 1990 relevant drawing and Electrical installation work certificate of compliance since all heating and lighting is electric

Incidentally I own the lease on the whole property which has 940 years to run approximately.

Yours truly,
