2015/0441/P	SUSAN ROSE CHAIR HIGHGATE CAAC	HEATH WINDS MERTON LANE N6 6NA N6 6NA	01/03/2015 09:34:29	OBJ	Highgate CAAC wishes to object strongly to this application for the following reasons. 1. It is much larger both in bulk and in footprint than the previously consented scheme and constitutes over -development in a very sensitive area of the CA. 2. The materials chosen particularly the Portland stone are inappropriate in this area and will make the building far too conspicuous. 3 it is clear that the amenities of neighbours particularly at 51 will be seriously damaged by overlooking and loss of sunlight in the garden. A building on this scale and with this 'block' design in this position will cause damage to the CA and surrounding MOL and must be resisted.
