2015/0684/P	Mr Matthew Sanders	35a Rhyl Street London NW5 3HB	01/03/2015 21:58:18	COMMNT	As near neighbours of the school we very much support this application. The new elevation will be an interesting and eye catching addition to the street scene and will give the school a fresher, more modern appearance, while respecting the existing building.
