2 March 2015

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
9 Sarre Road
London
NW2 3SN

Proposal:
Erection of single storey rear extension to existing single-dwelling-house (Class C3)
Drawing Nos: P14-94/Rev A

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise

specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans P14-94/Rev A.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reasons for granting permission:

The proposed single-storey rear extension is subordinate in scale to the host building, and its location and design are considered appropriate by virtue of the depth and height. The proposal is similar to other rear extensions in the area. Due to its size and location, the extension would not significantly harm the amenity of any adjoining residential occupiers in terms of loss of light, outlook, enclosure or privacy.

Whilst the development will have some impact in terms of outlook it will not result in a significant increase in the sense of enclosure to the occupiers of no. 11 Sarre Road, and the main views from the habitable rooms of the rear ground floor windows at no. 11 Sarre Road will remain unobstructed. The rear extension will not be visible from the public realm and as such it is not considered harmful to the views from Westbere Road to the rear.

The occupiers at no. 11 Sarre Road has removed their objection during the course of the application and two adjoining residents have expressed support which have been taken into account in making this decision. The planning history has been taken into account in coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, 56-66 and 126-141 of the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
