Dear Sir

Further to our recent telephone conversation I write to confirm the following:

1. All 4 No. adjacent properties have newly installed upvc double glazing (see photograph enclosed)
2. The corner property opposite (189 Kentish Town Road) has newly installed upvc double glazing, (See photograph enclosed)
3. A more detailed diagram of the proposed windows will follow.
4. A location plan is enclosed herewith
5. We propose to replace all 5 No. windows to the front elevation and the top 7 No. windows to the rear.
6. The property is not divided into flats but is one unit,
7. The Freeholders who are also the sole owners are Pirinet Investments Ltd., and I have made this application on their behalf.
8. The photograph of the centrer window which accompanied my application is of a typical casement window and is not specific.
