Name... ELEANOR ENGLE & PAUL OTHICK

Address... Flat 3, 33 Hampstead Hill Garden

Email address... 

Telephone number... 

Planning application number... 2015/0814/P

Planning application address... 1-9 Pond St N03 2PN

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

We support the application for the following reasons:

- Pilates is a QUIET activity, providing any music is kept to a low volume as promised in the application. Better than a restaurant or bar (late night noise). Better than an office (parking problems).
- No plans for the garden. Previous office applications wanted to build in the garden space but want to ~~be~~<sup>be sure</sup> that nothing will be built in the garden, or noisy usage planned.

Please continue on extra sheets if you wish
