Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed extension, by virtue of its subordinate scale and location sits sympathetically when viewed in the context of the adjacent townscape and similar extensions at second floor level.

The extension, by virtue of its size and location would not harm the amenity of the neighbouring occupiers, in terms of potential loss of natural light, privacy, outlook and light spill. The design, form and materials would be in keeping with the adjacent buildings and would preserve the character and appearance of the Mansfield conservation area.

Five neighbours have been consulted and a site notice displayed. No objections have been received. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 (CA's) of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, 56 -66 and 126-141 of the National Planning Policy Framework.

You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
