2014/7851/P	M Orwell	31 Frogna1	03/03/2015 14:04:42	OBJ	I would like to object. As stated in letter from English Heritage dated 17 Feb 2015, current proposal is 'marred by excessive height' and 'prominent sitting too close to prince Arthur Road'. If permission is to be granted there should be 'a reduction in scale' and 'further setting back from the street to enhance verdant quality of the streetscape'.

Also concerned about increase of traffic in Prince Arthur Road, a quiet residential street
