

Key Plan

Existing condenser units at northern end of 5th floor roof.

All units are set back sufficiently from parapet wall to avoid being seen from street level.

7th floor condensers are not visible.

Note: Basement, Ground, 1st floor, 5th floor and 7th floor condensers are not visible on this elevation.

DRAWING NOTES:
 All dimensions to be checked on site prior to commencement of any works, and/or preparation of any shop drawings.
 Sizes of and dimensions to any structural elements are indicative only. See structural engineers drawings for actual sizes/dimensions.
 Sizes of and dimensions to any service elements are indicative only. See service engineers drawings for actual sizes and dimensions.
 This drawing to be read in conjunction with all other Architect's drawings, specifications and other Consultants' information.
 All proprietary systems shown on this drawing are to be installed strictly in accordance with the Manufacturers/Suppliers recommended details.
 Any discrepancies between information shown on this drawing and any other contract information or manufacturers/suppliers recommendations is to be brought to the attention of the Architect.
 DO NOT SCALE FROM THIS DRAWING.
