Observations	<p>ADVICE from Primrose Hill Conservation Area Advisory Committee 12A Manley Street, London NW1 8LT</p> <p>18 February 2015</p> <p>20 Albert Terrace Mews London NW1 7TA, 2015/0485/P</p> <p>No objection to the proposals for the front elevation.</p> <p>We do object, however, to the proposals at the rear, where we are concerned about overlooking of habitable rooms in the property on Prince Albert Road.</p> <p>We note that the traditional form of mews houses was that there was limited, if any, fenestration to the rear elevation of the mews house. The proposals therefore neither preserve nor enhance the character or appearance of the conservation area.</p> <p>Richard Simpson FSA Chair</p>
