4 March 2015

Dear Sir/Madam

Re: 79 CAMDEN ROAD AND, 86 -100 ST. PANCRAS WAY, LONDON, NW1 9EU

Waste Comments

Thames Water have reviewed the documentation provided and cannot agree to the discharging of Condition 21A & 21B Water Comments

Supplementary Comments

Substructure construction for the residential development will encroach on exclusion zones for the Thames Water combined sewer located at Rochester Place. There are also live distribution mains within the site. We are unable to discharge conditions 21a and 21b of the planning application until detailed investigation and structural impact assessment is undertaken to confirm impact of the works on Thames Water assets. Please contact Thames Water Developer Services to discuss requirements for an Impact Study and to request plans of our assets in the area. (0845 850 2777 or by email at developer.services@thameswater.co.uk / tolulope.finnih@thameswater.co.uk)

Yours faithfully
Development Planning Department
