Your comments on the planning application

i totally object to this planning application if the council have any consideration for the local residence a swimming pool will cause more traffic flow on fortune green road and more dangerous hazards as we are experiencing right now and we are already having battles to park on the greek roads as it is not be stupid and think of us nearly every day someone nearly gets knocked down on fortune green road as cars fly down this road cars parked on either side on the bends especially where the shisha bar is
