Signature: 

Date: 12.02.15

Reviewer: Nick Woad

Signature: 

Date: 12.02.15

Where field investigations have been carried out, these have all been restricted to a non-intrusive visual survey approach.

Clarke Nicholls Marcel has prepared this report for the sole use of the client, showing reasonable skill and care, for the intended purposes as stated in the agreement under which this work was completed. The report may not be relied upon by any other party without the express agreement of the client and Clarke Nicholls Marcel. No other warranty, expressed or implied, is made as to the professional advice included in this report.

Where any data supplied by the client or from other sources have been used, it has been assumed that the information is correct. No responsibility can be accepted by Clarke Nicholls Marcel for inaccuracies in the data supplied by any other party. The conclusions in this report are based on the assumption that all relevant information has been supplied by those bodies from whom it was requested.

No part of this report may be copied or duplicated without the express permission of Clarke Nicholls Marcel and the party for whom it was prepared.

This work has been undertaken in accordance with the quality management system of Clarke Nicholls Marcel (Civil & Structural Engineers) Ltd.
