In my letter objecting to the above planning application I mistakenly referred to disruption caused by redevelopment at no. 8 The Grove. I should have written no. 12 The Grove.

Apologies Rachel Bowden

Instead of Fitzroy Park being a pleasant country walk to the Heath, used by Hikers, dog walkers, cyclists, joggers, mothers with buggies and lots of children it will become a dirt track with inevitable damage to the verges. It is not designed for HGV vehicles.
