2015/0253/P	Graham Bradshaw	48 Ingham Road	05/03/2015 23:57:40	COMMNT	Please clarify condition 22, what the variation is, and how the proposed use might change.
2015/0253/P	Peter Abrahams	8 Achilles Road LONDON NW6 1EA	06/03/2015 18:49:26	AMEND	Thank you for updating the wording following my previous comment. However, I now do not understand what the variation is. Condition 22 allowed its use as a gymnasium/swimming pool and the wording still is for a gym swimming pool. What is the difference?
2015/0253/P	Paul Bramley	35 ingham rd	08/03/2015 17:16:52	OBJEMAIL	I object to further development on this site. We have significant traffic disturbance caused by the gym since its' opening. The proposal will only increase traffic on Fortune Green Road and impinge on resident parking rights on Ingham rd. Some evenings I cannot even park in my own road. The Council needs to observe parking on Fortune Green Rd in the evening only to see the chaos and abuse of double yellow parking. No-one polices this and this development has destroyed the local neighbourhood with its drawing in of undesirables from other areas -all of whom DRIVE to the gym from outside the locality.
2015/0253/P	Peter Abrahams	8 Achilles Road LONDON NW6 1EA	06/03/2015 11:17:25	AMEND	The description is grammatically incorrect and does not have a clear meaning. Can it be rewritten in clear English, so it does not have sentences that start with a small letter and do not include a subject. I do not see how anyone can comment on this until it is rewritten. So I suggest you cancel the application.
