2015/1139/P	Martin Jones	MJ Media 97 Charlotte St Fitzrovia London W1T 4QA	08/03/2015 04:17:11 INT		<p>In the transport statement point 4.6 states that the Bedford Passage proposal accomodates fire exit access from 93 Charlotte Street. For the record it is 97 Charlotte Street that has fire exit access via Bedford Passage.</p> <p>Point 4.7 states that the intention is that Bedford Passage remains private whilst allowing access to the cafe and sites described above. Other planing documents give the impression that Bedford passage will be open for public access between Charlotte St and Cleveland Street during the daytime with gates being locked at 23.00. I would like to understand whether the Passage is being opened for public or just UCL access</p>
