2015/0493/P	Neville Jason	42 Ormonde Terrace London NW8 7LR	11/03/2015 15:06:11	SUPPRT	Having lived next door to number 44 for 24 years, from 1981 to 2005, I wish to support this application. The proposed house would be a huge improvement on the sadly neglected building which is there at present. That premises, number 46, has been a restaurant and a record shop over the years, and it will be much more in keeping with the surroundings for it to become a dwelling.
