Planning application address... 216 Haverstock Hill, London NW3 2AF

- I support the application (please state reasons below)
- I object to the application (please state reasons below)

Your comments

This application does not propose any extensive changes and should not be opposed in general. However, I would comment that previous restaurants on this site have occasionally caused a nuisance by allowing the conservatory doors open and create noise from the customers. I understand this was reported to the local authority and the problem resolved. Our garden backs onto that of the restaurant. We look forward to the opening of the new restaurant and hope that it will be more successful than Chemichanga.
