

This architectural elevation drawing shows a three-story building facade. The central entrance features a large double door with a decorative diamond-shaped window above it. To the left of the center is a side entrance labeled '7', and to the right is another side entrance labeled '8'. The facade is punctuated by several windows, some with decorative arched tops. Vertical lines indicate structural divisions, and horizontal lines mark the floor levels. The ground is shaded dark gray.

This architectural elevation drawing shows a building facade with a grid system. The grid consists of vertical lines labeled 1 through 8 at the top and bottom, and horizontal lines labeled A through D on the left and right. The building has a central entrance (labeled 1) and two side entrances (labeled 7 and 8). The facade features multiple windows and doors, with dashed lines indicating internal structural elements or openings. The drawing is a black and white line art style.
