2015/0218/P	I.Lawlor	Austrian Bedding Co 205 Belsize Road London NW6 4AA	12/03/2015 16:40:04	OBJ	I would like to object to the change of use for the Commercial premises at 207 Belsize Road NW6, because one or more of the four parking spaces outside my shop will be occupied by one of their limousines making it more difficult for our customers to park. This is already happening since they started their "Concierge" business some time ago.
2015/0218/P	Paula Meliffi	207 A Belsize Road NW6 4AA	12/03/2015 14:28:48	OBJ	<p>I can't possibly support the application for a 'concierge' business from the people of 207 Belsize Road as throughout the last 6 months (after their shisha pipes shop closed down) they proved themselves to be inconsiderate and downright uncaring towards the whole of the neighbourhood.</p> <p>So many times they have been told that hearing their drum beats almost every night until 4 am is highly distressing for anyone in need of a quiet time and yet they carry on putting them on, not to mention their air conditioning system (hot or cold air) being used at night : its sound is not terribly loud (with the windows closed in winter) but its electronic waves can be felt from the flats above as they reverberate through the floor boards.</p> <p>They also receive friends or guests or whoever from midnight onwards and they behave as if it is day time, talking aloud in the street, slamming car doors, starting up the engines and generally making noise, deliberately ignoring the fact that people at that time are sleeping.</p> <p>Therefore their application for a 'concierge' business to go on until 2 am would actually mean 'to legalize and justify their noise and attitude'.</p>
