2015/0493/P	SUZIE J LEE	43 INVERNESS STREET	12/03/2015 18:26:53	COMMNT	<p>I'd very much like to support this proposed plan.</p> <p>This development will influence my household most since we will be living right opposite to 46 Inverness street when it is built.</p> <p>I feel greatly relieved that this is going to be a residential development where my old neighbours will live, not another shop or a bar. All the residents of the Inverness street already have more than enough troubles with the presence of bars on the other half of the street.</p> <p>I also like the design of the building, which is modern in a pleasing way, which to my mind complements rather than jarring with the older houses in the street.</p> <p>It will improve the appearance of this corner of the street compared to how it is now and I am sure this is going to be a good addition in terms of the value of the houses on Inverness street in the future.</p>
