Installation of telecommunications (1 x SAMO equipment cabinet)

We are freeholders of Buckland Court, 37 Belsize Park, and we are writing on behalf of all the shareholders of the Buckland Court Management Co. Ltd to state that this is the first we have heard of the above application.

We were under the impression that as shareholders of the freehold of the block, we should have been approached first by the Telecommunications company with all details.

It is doubtful that all shareholders of Buckland Court would agree as installing this type of equipment affects negatively the value of the flats.

We will look at the planning application, but at this stage would strongly oppose it.

Yours faithfully

Carolle Raynor
