Your comments on the planning application

I am the upstairs neighbour at 12 Lawford Road and support this scheme, in principle, as it is in keeping with the character of the site and seems a sensible and useful addition to the current space of the flat. However, it is important that the footprint of the extension stays within the section of the garden currently walled off for use by the basement flat and does not encroach upon the section of garden in communal use all of the residents of the house (Flats B, C and D).
