Dear Stephen

I am writing with respect to the above planning application. I live in Hampstead Village, my son attends St. Anthony's School and I wanted to register my support in respect of the planning application submitted by the school. Importantly, I think the proposed redevelopment of No. 3 Arkwright Road offers the following benefits for the local community:

1. It allows one of the best local schools to expand to meet the ever increasing demand for high quality schooling in the area.
2. Reduced crossings at a major road junction, thereby increasing child safety and mitigating the likelihood of unnecessary accidents.
3. Improved traffic flow at a busy junction, thereby resulting in less congestion in Hampstead Village in particular.
4. Creation of new jobs for teachers and support staff.
5. New co-ed nursery.

As a local resident of the community most affected by the proposed redevelopment, I trust that my comments will be taken into account in coming to a decision.

Kind Regards.
